Everything is the same. The owners is trying to be sensitive to the staff but the resistance is considerable. I heard this morning that maybe they'll hold off and use it as a trade-off when next year when they undertake book store remodeling. It sure would be better from the City's perspective to just capture this improvement as voluntary and work on other things that might be of interest later. If I was Logrande, that's what I'd want.

Bill is meeting w Logrande at 3:00 today. I know that's not a lot of time, but I just found out an hour ago. Anything new that you can send me to help your case would be good

Good Morning Nate & John...

Tuesday at 11 AM is good for me on strip lots too. We are on!!

Re trash enclosures, we are waiting for the owner's contractor to give him a cost estimate by Wednesday. I'll place some calls to see if we can get it quicker.

Thanks again for the call yesterday about the strip lots. We also appreciate your joining us in
feeling that it's time this project moved forward. Let's you and John & I sit down at your first
opportunity next week to discuss the options you described. Anytime either Mon or Tue between
10 & 2 works. Or let us know what works better for you.
